

Concreto Flexi Bangle

This collection is categorized under flexi bangles, which are unconventional and have a click mechanism-using balls and spring in it. A different approach towards Flexi Bangles.

CONCRETO

ARTIST - Galendo de Barros

STYLE - Abstract Modern Art

MATERIAL : Enamel on hardboard

This painting is an example of geometric abstraction i.e., abstract art based on the use of geometric forms sometimes, though not always, placed in non-illusionistic space and combined into non-objective (non-representational) compositions.

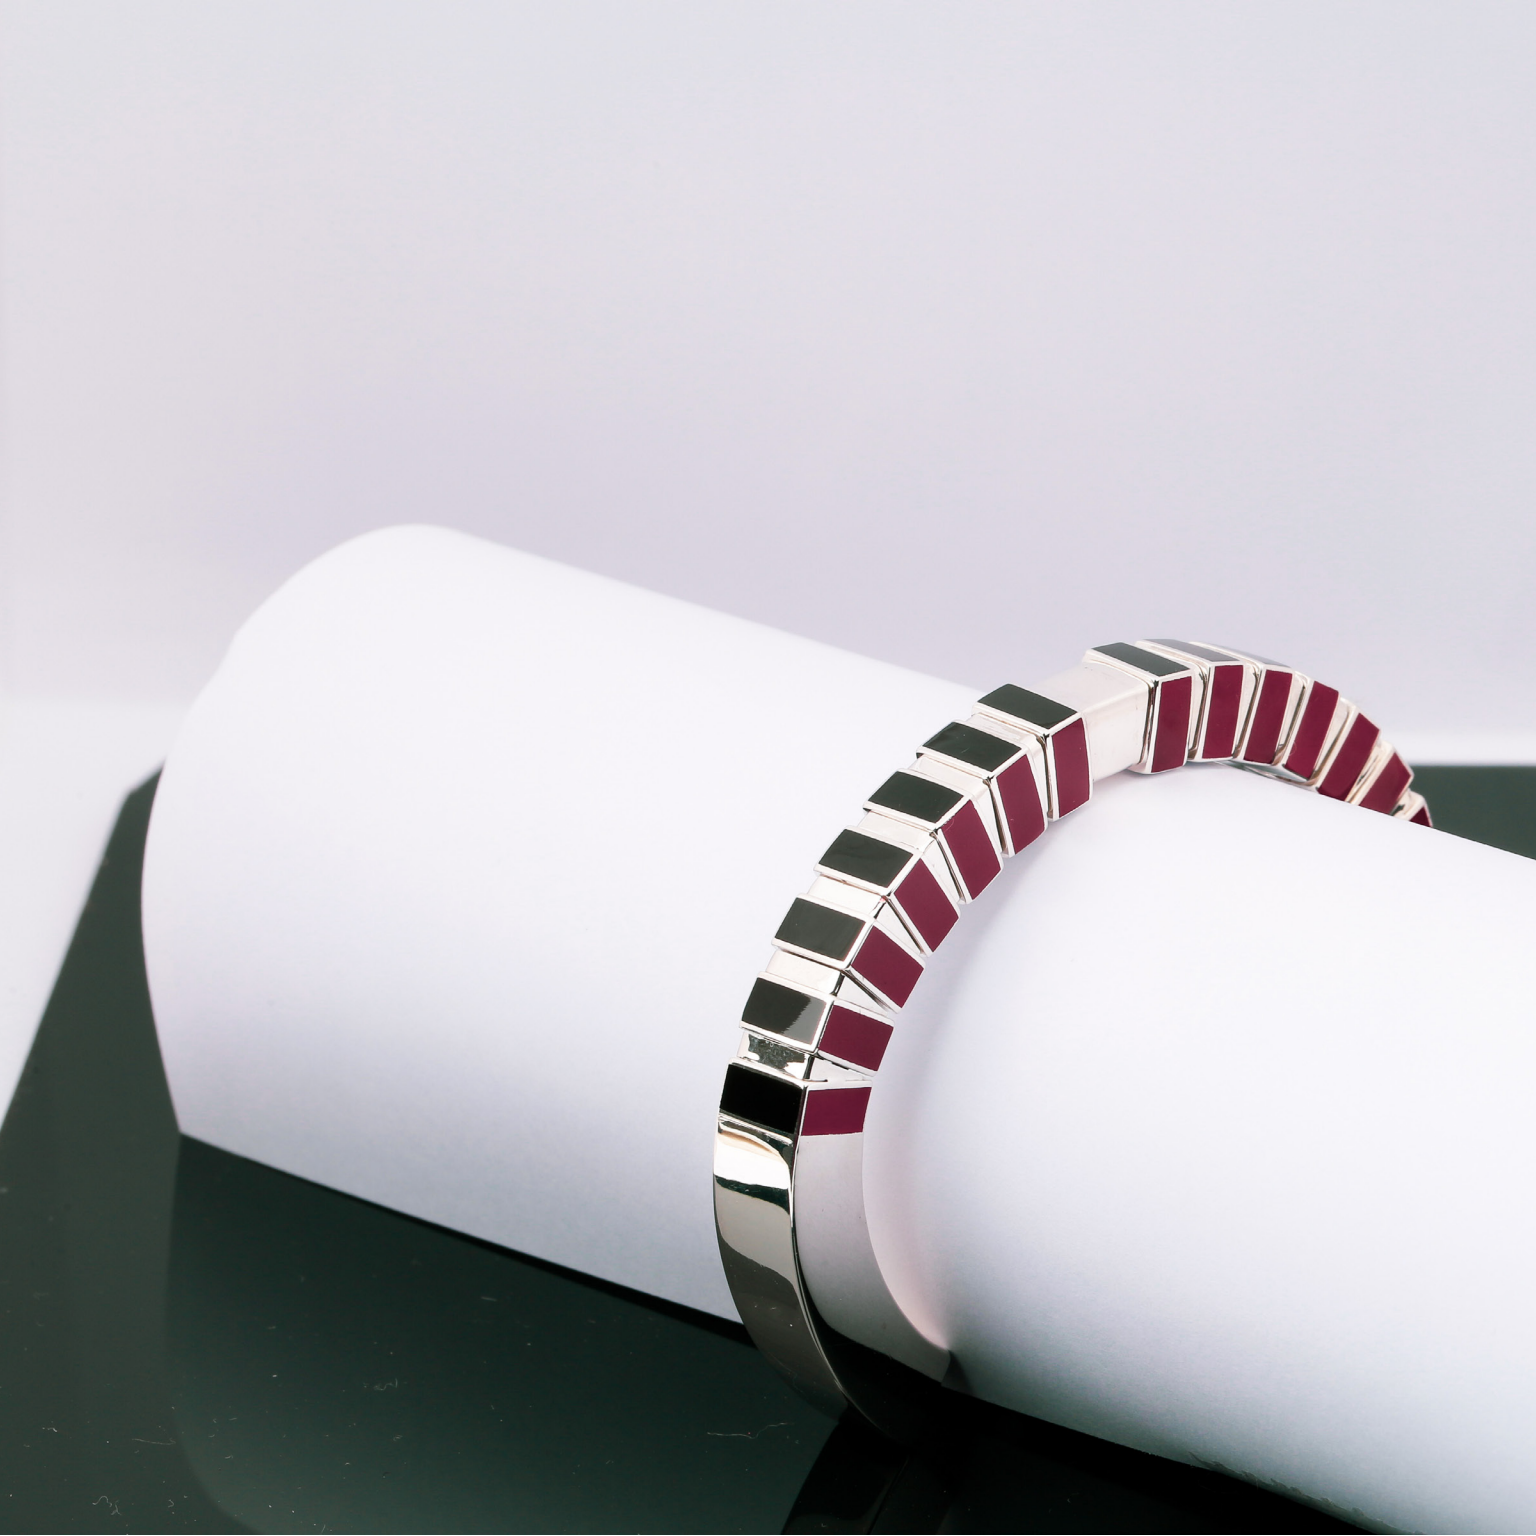

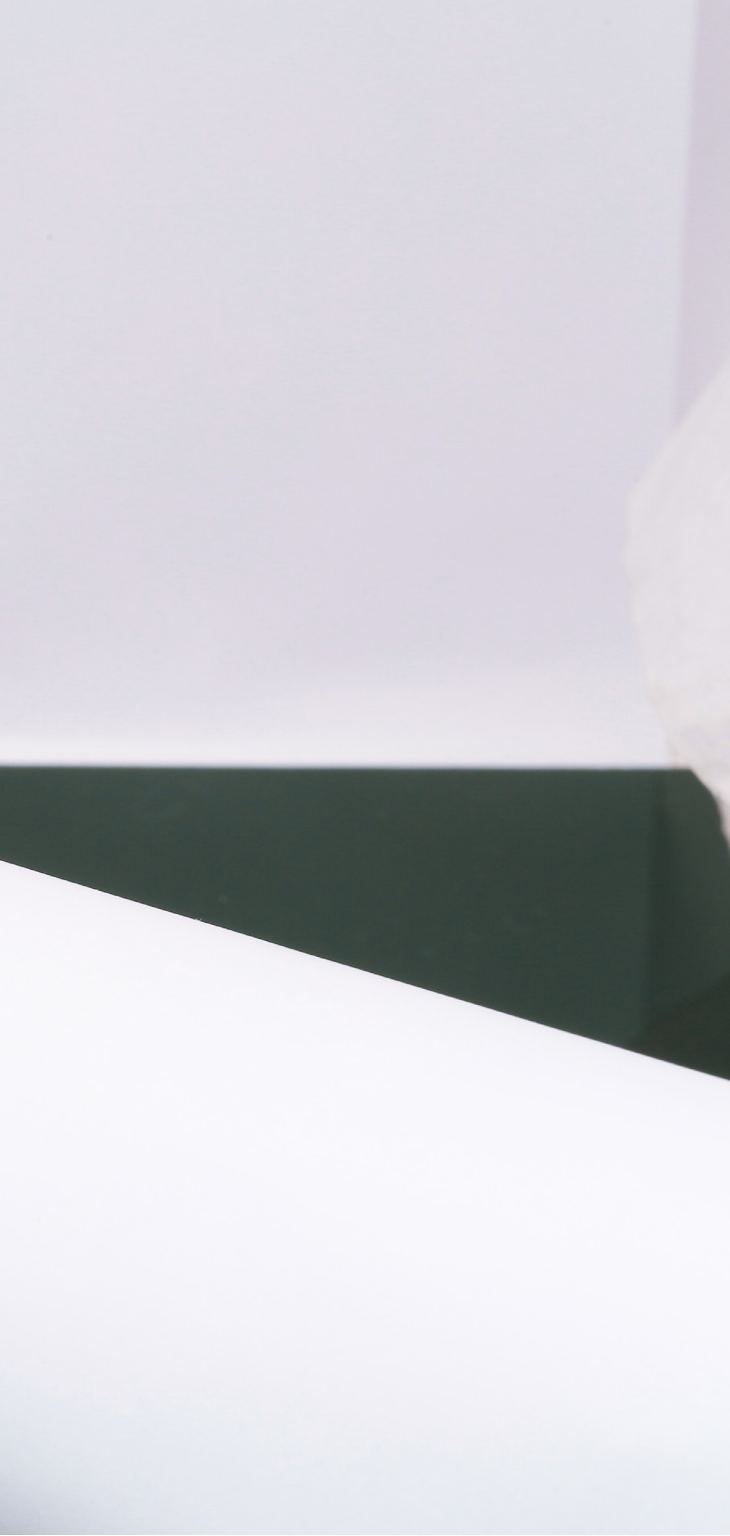

Contemporary look with a modern approach combined with ceramic and diamonds along with click mechanism.

A range of gold and ceramic bracelets
and bangle which is not only luxurious
but also very sturdy and contemporary.
